

ASSOCIATE MEMBER EDUCATION ACTIVITY GUIDE

CHAPTER SIX: CAMPUS INVOLVEMENT

THE BASICS

PHILOSOPHY OF THE ORGANIZATION REGARDING HAZING

Pi Kappa Phi Fraternity is a values-based membership development organization that focuses on building brotherhood through character enhancement, leadership development, academic achievement, commitment to service, lifelong friendship and social experiences. The Fraternity's purpose and aim is to promote fellowship and mutual trust among its members, and Pi Kappa Phi fundamentally believes hazing prevents individual members and chapters from exemplifying these characteristics of brotherhood.

Striving to be a responsible member of the higher education community, Pi Kappa Phi is highly concerned about any activity that could be considered mentally, physically, or emotionally unsafe. Our Fraternity believes very strongly in the betterment of men through our chapters. Our organization upholds the following philosophy specifically related to hazing:

- The Fraternity is unequivocally opposed to all acts of hazing and expects our members to follow the laws across the United States that have made hazing illegal.
- As an organization founded on the principles of friendship, the Fraternity expects that all members treat each other with dignity and respect, regardless of their membership classification or level of seniority within the organization.
- The Fraternity supports and enhances the mission of the institutions where we are present through application of relevant student development theories.
- As a subset of the campus community, the Fraternity collaborates with the host institution to address the problem of hazing.
- The Fraternity works to address the underlying causes of hazing, and not simply the observable behaviors. As such, Pi Kappa Phi utilizes a comprehensive educational approach that reinforces the Fraternity's concern for human dignity and mutual respect among its members.
- Through education, training, and mature adult guidance, we provide the tools to help students make good choices, and to understand the consequences of their choices. The organization will hold chapters and individual chapter members accountable for the choices they make.
- The Fraternity expects personal responsibility from its members and accountability through local self governance within the boundaries established by Pi Kappa Phi's Constitution, Supreme Laws, and National Council policies.
- The Fraternity follows a consistent and progressive discipline strategy with our chapters. When a member or subordinate chapter is unable to conform to the expectations of Pi Kappa Phi, however, the conduct process may determine that they should no longer share in the privilege of participating in the Fraternity.
- We are concerned for the safety, well being, and dignity of our members.

PI KAPPA PHI FRATERNITY RISK MANAGEMENT POLICY

No chapter, associate chapter, student, alumnus, or volunteer shall conduct nor condone hazing activities. Permission or approval by a person being hazed is not a defense. Hazing activities are defined as:

"Any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol; paddling in any form; creation of excessive fatigue; physical and psychological shocks, quests, treasure hunts, scavenger hunts, road trips, or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel that is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities that are not consistent with academic achievement; fraternal law, ritual, or policy; the regulations and policies of the educational institution; or applicable state law."

THE WHITE DIAMOND: A GUIDE TO BROTHERHOOD

First authorized for publication by the 1936 Supreme Chapter, *The White Diamond* has served as a guide to brotherhood for generations of Pi Kappa Phi's associate members. In 1990, T.J. Sullivan, Alpha Psi (Indiana), wrote and designed what many modern-day Pi Kapps know as *The White Diamond*. Since then, *The White Diamond* has undergone a series of updates and revisions. This most recent revision reflects a commitment by the Fraternity to continue publishing a cutting edge guide to brotherhood for associate members.

At the 54th Supreme Chapter in Atlanta, the student delegates adopted a public values statement for the Fraternity centered on the values espoused in our Student Creed – commitments that both undergraduate members and alumni make in order to truly realize the vision of our founders. The 2016 edition of *The White Diamond* is organized around each of the values: Common Loyalty, Personal Responsibility, Achievement, Accountability, Campus Involvement, Responsible Citizenship, and Lifelong Commitment. **Each week of the chapter's associate member education program is intended to correspond to a chapter of *The White Diamond*, and the chapters are intentionally ordered to create an effective associate member education experience.**

HOW TO USE THIS GUIDE

Each Associate Member Education Activity Guide corresponds to a chapter of the 2016 edition of *The White Diamond*. The guide contains a number of suggested activities to assist the Warden, Chaplain, and Associate Member Education Committee in planning the chapter's associate member education program.

In order to develop a successful associate member education program, the Warden, Chaplain, and Associate Member Education Committee should:

1. Review the activities contained in this guide.
2. Determine which activities, homework assignments, projects, and subordinate rituals to include in the associate member education program.
3. Complete the Topics and Assignments on the Associate Member Education Syllabus Template for the corresponding week in the associate member education program.
4. Complete the Core Concepts/Topics to Discuss, Activities, Subordinate Rituals, and Associate Member Assignments sections of the Associate Member Education Lesson Plan.
5. Submit a copy of the Associate Member Education Syllabus and Associate Member Education Lesson Plan to the Chapter Advisor, Leadership Consultant, and Director of Member Education for review.

- Allow associate members to ask questions about the importance of campus involvement, as well as campus traditions.

SUGGESTED SUBORDINATE RITUALS

- Student Creed

Debrief

- The most important part of a sub-ritual is the debrief. It is extremely pivotal that the meaning behind each sub-ritual be discussed with the chapter. Do not assume that the members understood the lesson; talk about the lesson and have the members share their feelings and thoughts. It is during this time that true growth and development takes place. Therefore, a thorough debrief should follow EVERY subordinate ritual performed by the chapter.
- **What?**
 - What happened?
 - Dissect what happened throughout the activity, what was observed, what they were feeling, what symbols were present, etc.
- **So What?**
 - Why are these things important?
 - How do they tie back to the values of Pi Kappa Phi and the tenants of “The Student Creed?”
 - What impact do they have on individual members?
 - What impact do they have on the chapter? What impact do they have on the national fraternity?
- **Now What?**
 - What do you do now?
 - How can you apply these concepts, values, lessons, etc. outside of the sub-ritual?
 - How do they apply to your fraternity experience?
 - How do they apply to your college experience?
 - How do they apply to the real world and life after college?
 - What should they do with this lesson?
