SUBORDINATE RITUAL EXPLANATION

The Ritual of Pi Kappa Phi is a beautiful ceremony which has been shared by tens of thousands of Pi Kappa Phis since the founding years of the fraternity. It has changed in small ways since then, but the messages are the same.

Subordinate rituals (sub-rituals, as they are referred to) play a special and necessary part of a member's growth in the Fraternity. It is through the use of sub-rituals that our values and ideals are exhibited and explained. Each week we will conduct a subordinate ritual that will tie together the information we have learned; thus, making Pi Kappa Phi a more meaningful part of your life.
