

## LEADERSHIP CONSULTANT CHAPTER WORKSHOP OVERVIEW & MENU 2018-2019

### THE PI KAPPA PHI JOURNEY

The Pi Kappa Phi Journey offers to students, alumni, and volunteers uncommon opportunities – innovative educational programs and resources – to develop into exceptional leaders.

All members of Pi Kappa Phi have the duty to lead and the privilege to serve others in order to better the world around them. Leadership in Pi Kappa Phi is a living commitment to personal and fraternal values, cultivated through the bonds of brotherhood and ever-aspiring to build the ideal chapter.

Pi Kappa Phi's mission is to create an uncommon and lifelong brotherhood that develops leaders and encourages service to others for the betterment of our communities. The Fraternity believes that leadership is not positional – it can come from anywhere in the organization – and is, instead, a potential that can be developed in all members. Leaders exhibit self-awareness, exemplify character in thought and action, develop and foster collaborative relationships, and strive to create social change – to build a better world for themselves and others.
