# ESTATE PLANNING WORKBOOK

The workbook on the following pages is intended to guide you in collecting necessary paperwork, taking inventory of your assets and making personal decisions before you go to the professionals to create your estate plan. This resource will help you save time and money during the estate planning process because you will be prepared - and those you love will be ready, too, when they need to access your important life documents to carry out your wishes.

If you have any questions, please contact us:
