

PI KAPPA PHI'S DEFINITION OF LEADERSHIP 2020 EDITION

LEADERSHIP IN PI KAPPA PHI

Pi Kappa Phi Fraternity is a values-based membership development organization that focuses on building brotherhood through character enhancement, leadership development, academic achievement, commitment to service, lifelong friendship, and social experiences. Pi Kappa Phi's mission is to create an uncommon and lifelong brotherhood that develops leaders and encourages service to others for the betterment of our communities.

Leadership in Pi Kappa Phi is a living commitment to personal and fraternal values, cultivated through the bonds of brotherhood and ever-aspiring to build the ideal chapter.

The Fraternity believes that leadership is not positional – it can come from anywhere in the organization – and is instead a potential that can be developed in all members. Leaders exhibit self-awareness, exemplify character in thought and action, develop and foster collaborative relationships, and strive to create social change – to build a better world for themselves and others.
