

As part of Pi Kappa Phi's Harm Reduction Education Strategy, all Pi Kappa Phi members are expected to complete the Ladder of Risk module via the Virtual Journey. This online education covers the basics of Pi Kappa Phi's Risk Management Policy and provides an opportunity for conversation about planning safe social events.

To access the module, please read the following instructions carefully:

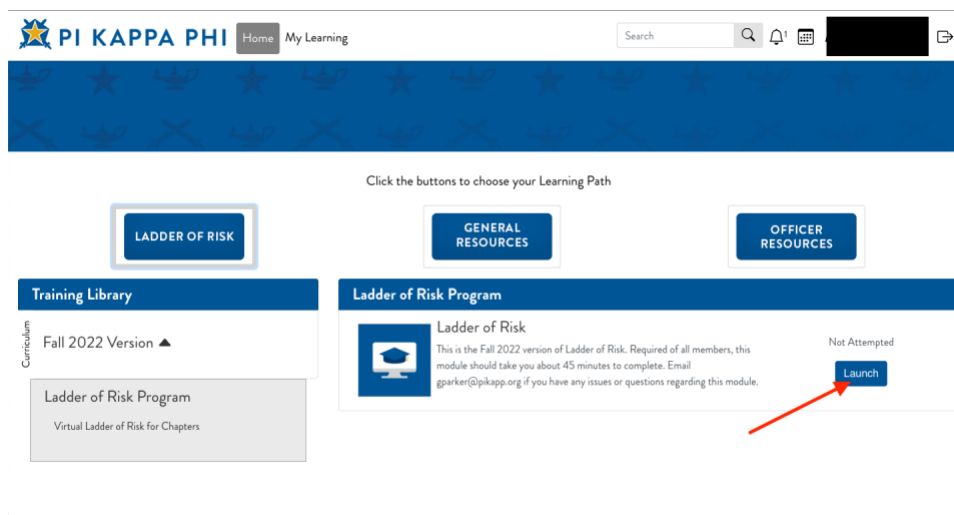

- You will need internet access to complete this module. To avoid technical issues, it is recommended you use a major web browser (e.g., Google Chrome, Safari, Firefox) released within the previous two years.
- Access the online module via [the Pi Kapp Hub](#) and log in
- Once logged in, navigate to and click "The Virtual Journey" from the menu in the top left of your screen

- Select “Ladder of Risk” on the left side of your screen

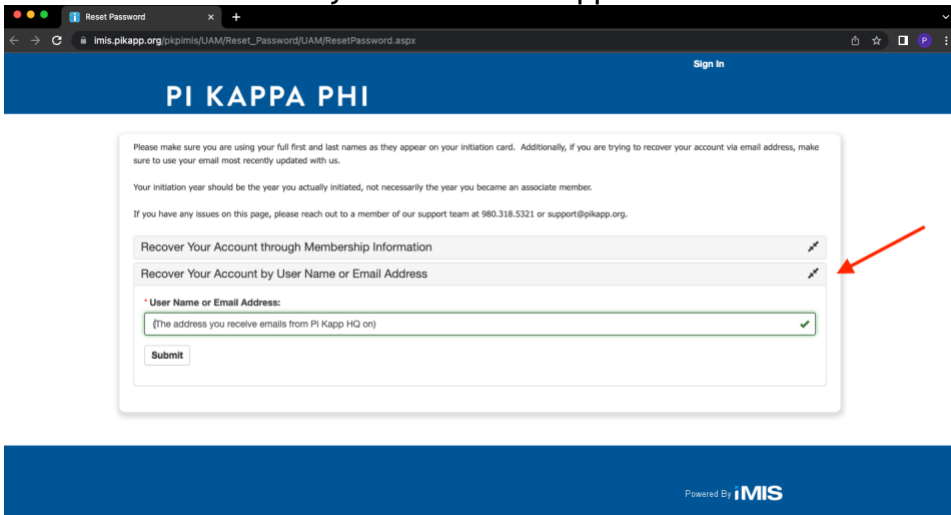

- Click “Launch” and begin the course

If you need to reset your password:

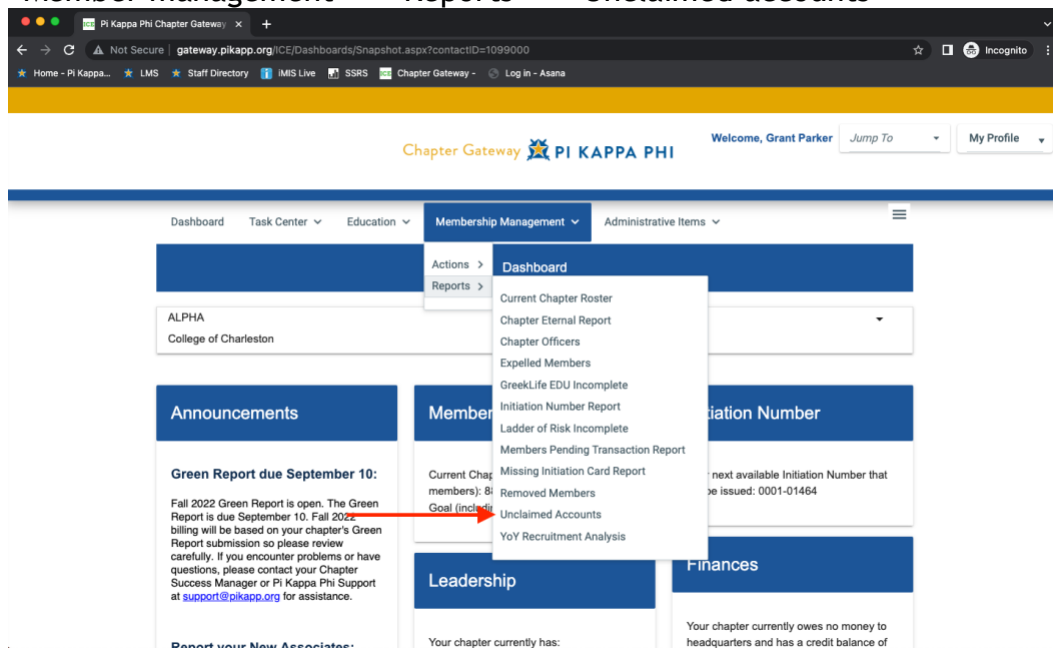

1. Go to: https://imis.pikapp.org/pkpimis/UAM/Reset_Password/UAM/ResetPassword.aspx
2. Click "Recover Your Account by Username or Email Address"

3. Use the email address you receive Pi Kapp emails to in order to recover your account

If you have never logged into the Pi Kapp Hub:

- If you have never claimed your credentials, a member of your chapter’s leadership will need to provide you the link to your account. They can find this in [Chapter Gateway](#) under “Member management” > “Reports” > “Unclaimed accounts”
